

Eesti Barokkorkester

Andrew Lawrence King (muusikajuht)
6. oktoober 2024

Orkestriühingu nimel on mul suur rõõm teatada:

Muusikud, kes on viimase kahe aasta jooksul esinenuud *Tallinna Barokkorkestri* nime all...

kavadega itaalia, **hispaania**, saksa, **keldi**, inglise ja **eesti** barokkmuusikast

oma "kodulaval" Mustpeade Majas Tallinna vanalinnas ja tuuritades festivalidel Tallinnas, sh Birgitta festivalil, MUBAs, Viljandis, Narvas, Helsingis jm,

koos külalisdiregentidega nagu Nazar **Kozhukhar**, Alberto **Bernardini**, Tõnu **Kaljuste** ja Xavier **Díaz-Latorre**, ning keda külastas isegi Jordi **Savall**,

alates "La Musica'st" rahvusvahelisel naistepäeval 2023 kuni Monteverdi "Orpheuse" ajaloolise lavastuseni tänavu augustis,

...on sel nädalal vastu võtnud olulised otsused, et tähistada neid saavutusi, tagada sujuv järjepidevus ja luua orkestrile helge tulevik.

- Orkestriühing vormistatakse ametlikult MTÜ-ks.
- Orkester otsib aktiivselt rahastatud kontserte. *Pro bono* (tasustamata) kontserdid jätkuvad, kuid asendatakse jätk-järgult tasuliste esinemistega.
- Orkestri nimi (vana nimi ei ole enam saadaval) on nüüdsest **Eesti Barokkorkester**.

Estonian Baroque Orchestra

From Andrew Lawrence-King (Musical Director)

6th October 2024

On behalf of the Orchestra Association, I am thrilled to share this news.

The musicians who have performed during the last two years under the name of **Tallinn Baroque Orchestra...**

with programs of Italian, **Spanish**, German, **Celtic**, English and **Estonian** Baroque

at their 'home' venue of **Mustpeade Maja** in Tallinn's Old Town, and on tour at Festivals in Tallinn, **Birgitta**, & Viljandi; at MUBA, in Narva, **Helsinki** etc

with guest directors Nazar **Kozhukhar**, Alberto **Bernardini**, Tõnu **Kaljuste** & Xavier **Diaz-Latorre**, and even a short visit from Jordi **Savall**

from **La Musica** on International Women's Day 2023 to a historically-staged production of Monteverdi's **Orfeo** this August

... have taken significant decisions this week to celebrate those achievements, ensure create smooth continuity, and create a bright future for their Orchestra.

- The Orchestra Association will be formally established as an MTÜ

- The Orchestra will actively seek out funded concerts. *Pro bono* concerts will continue, but be increasingly replaced with paid engagements.

- The performing name of this Orchestra (the old name being no longer available) is now the **Estonian Baroque Orchestra**.
